

Already renting a home from whg?

Yes

Are you in urgent housing need?
(eg) have too many or too few bedrooms for your needs, or have a medical need that means your current home is unsuitable?

No

As your home is suitable for your household's needs **you are not eligible for our housing register**. We recommend you join HomeSwapper and look for a mutual exchange.

No

Are you in urgent housing need?
(eg) homeless, fleeing domestic abuse, severely overcrowded or have an urgent medical priority?

No

Do any of the following statements apply?
• I have access to affordable housing
• I have the means to rent or buy privately
• I have a household income of more than £40,000, or £50,000 if in a couple

Yes

You may not be eligible to join our housing register. We recommend either exploring other housing options such as renting on the open market or shared ownership. You can also approach your local council for further advice and support.

Yes

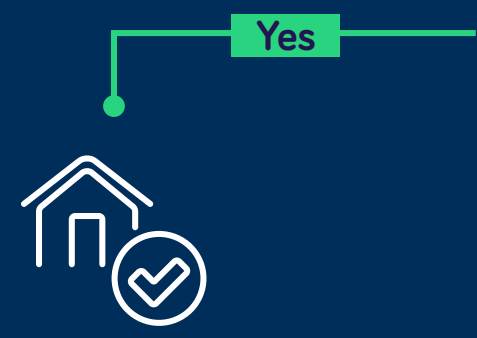

You are not eligible for our housing register and need to apply through your local council. Don't worry you may be able to still get housed with us but we will need the council to make the assessment and then nominate to us (and other landlords) when you reach the top of their housing register.

No

You may be eligible to join our housing register.

You may be eligible to join or remain on our housing register. We also advise you apply to your local council and join their housing register.
